RIDGEWOOD HIGH SCHOOL STUDENTS
PRESENT

AI & YOUR FAMILY

Real Answers. Practical Tools. A Brighter Future.

What Parents & Community Members Need to Know About Artificial Intelligence

FREE COMMUNITY INFORMATION SESSION

Learn how AI is changing school, work, and everyday life — and how families can use it responsibly.

WHO SHOULD ATTEND?

Parents, community members, educators, and students in elementary and high school.

Everyone is welcome!

NO PRIOR AI EXPERIENCE REQUIRED!

TOPICS WE'LL COVER

- **What is AI?** A simple introduction for beginners.
- **AI & Education** How students are using AI for school and beyond.
- **Safety & Privacy** What families should know before using AI.
- **AI Literacy** Helping kids recognize AI-generated information.
- **Using AI Responsibly** Academic integrity, creativity & critical thinking.
- **Parents & AI** How to have productive conversations with your children.

LIVE AI DEMONSTRATIONS
See what today's AI tools can — and can't — do.

Thursday Nov 19	TIME 4:15 – 5:15 PM	LOCATION Eisenhower Public Library
