October 16, 2026

Dear Parents and Guardians of the Future Class of 2031!

Welcome to Ridgewood High School! We are excited to welcome the Class of 2031 to our school community. Transitioning to high school is an exciting milestone, and we look forward to partnering with you to ensure a smooth and successful start for your student. Our team is committed to supporting students academically, socially, and emotionally as they begin this new chapter.

To help families prepare, we invite you to attend our Incoming 9th Grade Informational Night on **Wednesday, January 13, 2027 at 7:00 PM** at Ridgewood High School in the Auditorium. During this event, you will learn about academic expectations, extracurricular opportunities, finalize course requests for the 2027-28 school year, and important steps in the enrollment process. Administrators will be available to answer any questions you may have.

Please note that new student online enrollment will open on November 1st, and it must be completed by December 4, 2026 to ensure the ability to review your student's course requests for the 2027-28 school year. Instructions and the enrollment link can be found here. If you need assistance with the online process, please contact Ms. Freese at lfreese@ridgenet.org.

We are excited to begin this journey with you and your student and look forward to seeing you at our informational night. Welcome to the Ridgewood family!

Warm regards,

Eric Lasky
Principal
Ridgewood High School
