

The background is a vibrant tropical collage. It features large, soft-edged shapes in shades of yellow, pink, and teal. Various tropical elements are scattered throughout: palm fronds in the top left and bottom right, a white daisy with a yellow center in the top left, a pink ice cream cone with a waffle cone in the top right, a whole pineapple and a slice of watermelon in the bottom left, and another white daisy in the bottom right. A thin black horizontal line runs across the middle of the image, passing behind the main title.

# Organic Life

## Agreement Approved

The Illinois State Board of Education as approved our agreement with Organic Life for lunch serve at Giles and Leigh for the 25-26 school year.

Lunch cost: \$4.48 per day

2.9% increase (13 cents)

# Vape Detectors

## Purpose

Vape detectors may help keep our middle school safe by alerting staff right away if someone is vaping. This allows adults to respond quickly, stop the behavior, and support students in making healthier choices. Knowing detectors are in place can also deter students from vaping in the first place.

## Alert

Vape detectors alert the school office to a possible use of a vape in a bathroom setting. Staff are able to connect the alert to the area where the vape is detected and view the cameras for student connections.

## Data

No company was able to provide any statistics on vape sensors reducing vaping in schools.

# Vape Costs

HALO - \$9,955 (1 year license)

Verkada - \$8,954 (1 year license)

Triton - \$8,122 (1 year license)

Soter - \$7,070 (1 year license)

The background is a vibrant tropical collage. It features large green palm fronds, a white daisy with a yellow center, a whole pineapple, a slice of watermelon, a pink watermelon, and a yellow ice cream cone. The background is composed of soft, overlapping pastel shapes in shades of orange, pink, and teal.

# Ridgewood Data

Soler Technologies

- silent alarm
- text message when sensor is triggered - go to cameras
- at the beginning of the school year = couple dozen caught
- significant decrease in number of alarms as the year went on

The background of the slide is a solid light pink color. It is decorated with several stylized illustrations of watermelon slices and pineapples. The watermelon slices are triangular, with a red interior, black seeds, and a green rind. The pineapples are yellow-orange with a brown grid pattern on their skin and green leafy crowns. These illustrations are scattered around the central text box.

# SRO Update

We continued School Resource Officer interviews.

The agreement is being reviewed by our legal team. I will bring it to the Board of Education for approval at the July meeting

# 500 Policies

5:20-E

Update the date and  
names of BoE  
president and  
secretary

5:30

Add the word “designee”  
after Board President in three  
places

5:185

Language clean-up. Delete  
the word “following”. It is  
written twice

# Facilities Plan

## Ten Year Plan

Wold will review all of the districts systems and facilities to put together a blueprint for the future

## Plan for Future

Allow the district to allocate resources

## District Growth

Plans continue year after year

The background is a vibrant tropical scene. It features large, stylized shapes in shades of yellow, pink, and teal. Decorative elements include palm fronds in the top left, a white daisy with a yellow center in the top left, a whole pineapple in the bottom left, a slice of watermelon with black seeds in the bottom left, a green monstera leaf in the bottom left, a pink ice cream cone with a waffle cone in the top right, and another white daisy with a yellow center in the bottom right.
