Dear FOIA OFFICERS,

I am the Membership Chairman for the West Lake Shore unit of the Illinois Retired Teachers Association, could you please email the teacher/s who will be retiring at the end of this school year 2026. We are an organization of 40,000+ that represents retired teachers throughout Illinois to protect their retirement benefits.

All we need are their name and school email address.

Thank you so much!

Keith Bailey

Membership Chairman

West Lake Shore Unit of IRTA
