**Background Data**

The Illinois School Code requires that the Board of Education adopt a Tentative Budget, publish notice of same, make it available for public inspection for a period of not less than 30 days, and hold a public hearing prior to adoption. The budget must be adopted in final form by the Board of Education no later than September 30, 2019. The tentative budget may be amended and changed up until the time it is adopted in its final form.

As noted in the recommendation, we will be holding a public hearing on September 17<sup>th</sup> followed by adoption of the final budget. (Please see notice of public hearing, attached).

Copies of the 2019/20 Tentative District Budget can be found, in PDF format, at the district's website, [norridge80.org](http://norridge80.org), link, "Board of Education page, Budget and Finance, Tentative Budget", for viewing and/or printing. Please note that a summary of the budget can be found in the first section of the budget document.

The tentative budget reflects the information already reviewed by the Board. A update will be provided prior to the adoption of the final budget. As previously noted, this is a balanced Operating Budget which requires no Deficit Reduction Plan.
