## Village of Norridge Community Alert Press Release

For Immediate Release  
April 24, 2018

On April 23<sup>rd</sup> 2018 the Norridge Police Department was contacted by School Administration from Giles Elementary School in regards to an incident involving students at the school. The Police Department was informed of a possible threat to the school.

Norridge Police Officers along with school administrators conducted an investigation into the allegations. At this time the Police Department has found no credible basis for the allegations.

The Norridge Police Department takes the safety and security of our schools and students as a high priority and as such this incident was quickly addressed and resolved.

Any students or parents who observe any suspicious behavior or statements are asked to immediately notify the school administration and contact the Norridge Police Department or your local police department via 911.

David Disselhorst  
Chief of Police
