Includes:

Full day program: \$2600

Kindergarten fees:

Curriculum: \$260

Kindergarten Express

Kindergarten is an exciting time for students. Students come to school ready to learn and to make new friends. Our Express Kindergarten program incorporates Literacy, Math, and Social Emotional Skills.

Students will also have an opportunity to eat a snack and engage in structured play. It is a quick paced program for our early learners.

Kindergarten Extended Day

The Kindergarten Extended Day fee-based option offers a full day program for our students. In the Kindergarten Extended Day program students will engage in theme based and project based learning activities, Art, Music and Physical Education and learning centers with guided reading opportunities. In addition, students will engage in innovated play opportunities which allow students to develop critical thinking skills, become problem solvers, build peer relationships and learn how to get along with one another. Students will also eat lunch and go outside for recess and structured play.
