

Norridge District 80 Preschool

Leigh Tiger Cubs

John V. Leigh School is excited to offer a half day preschool program beginning in the 2020-2021 school year. The preschool program, staffed with licensed teachers and paraprofessionals, is available for the tuition fee of \$2600 for the school year plus a \$150 curriculum fee. The total cost of the program is \$2750.

The Norridge School District 80 Preschool Program aims to meet the developmental and individual needs of all children in a safe, inclusive and nurturing environment. The program is offered 5 days per week for 2½ hours per day and is open to toilet-trained children ages 3 to 5 who reside in NSD 80 boundaries. Requests by families for a.m. or p.m. session will be honored if space is available.

The Leigh School Preschool encourages active learning that uses students' natural motivators and abilities. Students will engage in learning and play that allows them to make choices, create ideas and converse with peers. Learning will be guided by the State of Illinois' Early Learning Standards. In addition, teachers will promote the social and emotional development using the research-based Second Step Curriculum. The students will exercise their gross motor skills and social emotional skills during outdoor and indoor play.

Payment plans are available; the balance must be paid in full by December 31, 2020. The total cost of the program will be divided by the number of months in order to be paid in full by December 31st. A non-refundable deposit of one month's payment must be paid at registration.
