
NSD #80 Spec. Ed. Updates

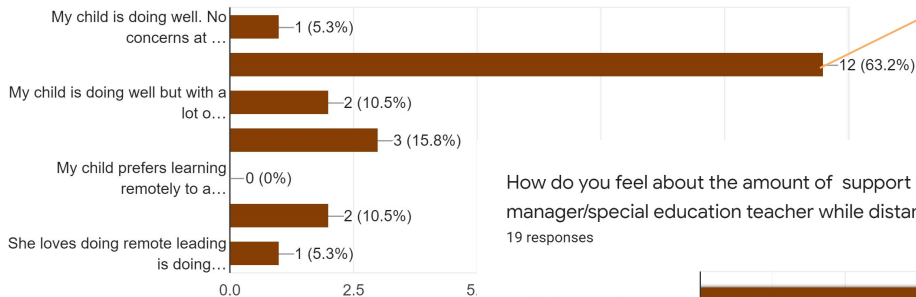

— 2019-20 School Closure & Future —
Considerations

Presented by: Kimberly Hanson, Director of Special Education

Distance Learning in Special Education

How has your child responded to learning at home?

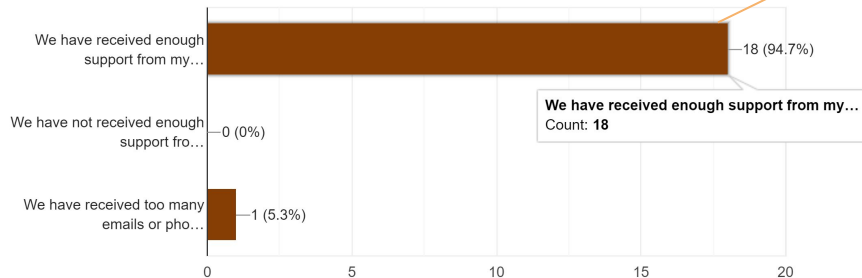

19 responses

My child is doing well but with some help (63.2%)

How do you feel about the amount of support your child has received from his/her case manager/special education teacher while distance learning?

19 responses

We have received enough support from my child's case manager while distance learning

We have received enough support from my...
Count: 18

- Remote Learning Plans Developed: 113 and counting...
- Spec. Ed. evaluations postponed due to COVID-19 closure: 19

Impact of School Closure on ESY

→ Parent Survey provided input

Please select which ESY option you would like for your child this summer:

25 responses

- ESY Session #1: June 8th - June 26th (Monday through Friday) 8:00am - 12:00pm (3 week session - 60 hours total)
- ESY Session #2: June 8th - July 10th (Monday through Friday) 8:00am - 10:00am (5 week session - 50 hours total, spread over a longer time period)
- I wish to decline ESY for my child at this time

→ Online format results in a reduction in the need for 5 paraprofessionals

→ Positions posted internally today with no anticipated challenges staffing ESY

Special Transportation

- Cook-Illinois Transportation initial request (80% of anticipated total cost billed)
- Cook-Illinois revised request in April after school closure and passing of CARES Act (37% of anticipated total cost billed)
- Anticipated Spec. Trans. Reimbursement Rate from ISBE is 83% for FY 20
- Additional info:
 - LASEC source reports area districts likely to vote "Yes" to 37% request at June Board Meeting
- Link to NSD #80 Special Transportation Costs from FY 19 & FY 20
