SCOPE OF WORK

Based on our understanding of the project scope, we propose the following project budget. The construction cost includes a design contingency of 5% and a construction contingency of 10% is maintained in the Project Cost Budget.

PROJECT BUDGET

Construction Cost Budget:

\$	140,700	Masonry repairs at cantilevered brick at 1960s wing, chimney, east façade at 1949 portion, and parapet
\$	7,035	Design Contingency 5%
\$	147,735	Estimated Construction Cost Subtotal
\$	12,557	Fee at 8.5%
\$	14,774	Construction Contingency 10%
\$	7,387	5% Soft Costs Estimate (Surveys, Testing, Prints)
\$	182,453	Total Project Cost Budget

After School Event Drop-off

There has been some concern about the bus drop-off at Giles on Oriole Ave after an after school event (sports or academic).

Current situation:

- Bus drops off students on Oriole by Anderson Hall
- Oriole is a highly congested road
- Traffic moves quickly - students cross in the middle of the street
- Street lights on Oriole are pointing towards the street
- Safety concern
