What does S.P.A.C.E stand for?

Student Principal Advisory Committee on Engagement

S.P.A.C.E

Student Principal Advisory Committee on Engagement (SPACE) is a team of students from different grade levels from grades fifth through eighth serving on the committee to support the goals of Norridge School District 80 and J. Giles School. The committee is led by the building principal and assistant principal. Students serve a one year term. Interested students complete a student application with teacher recommendation, based on academic success along with social, emotional and behavioral achievement. The building leadership team will review all applications and select 3 individuals from each grade level to serve on the committee.
