SCOREBOARD AT GILES

ILLINOIS PHONE BAN

Governor Pritzker signed Senate Bill 2427 on July 28, 2026

- States: “bell-to-bell policy restricting student cell phones and personal device starting with the 2027–2028 school year
- K–8th – prohibited during the entire school day; including classes, lunch and passing periods
- Model policy from the state: September 2026
- Requirements: school districts must establish policies detailing how personal devices will be kept in a secure accessible location during restricted times
- Exceptions: medical or special needs

LIFE SAFETY PROJECTS

ISBE Approval

Amendments were submitted to
ISBE in June

Clarification on a few items

Waiting for final approval

Funding For Projects

September

- Elizabeth from Raymond James to discuss Life Safety Bonds at September 15th meeting

Plan

Create a 3 year plan for the work

LIFE SAFETY C PROJECTS

Elevator at Leigh

Wold shared they believe an elevator at Leigh can be approved as a Life Safety C Project

Need to have a plan for all As and Bs before considering C Projects

Need to explore this idea more and look at possible areas in the school for ADA accessibility
