A Profile of Performance is reflected through a summative designation. In particular, the summative designation shows school performance on core, elevating, and student success/school quality indicators.

Profile of Performance

Core Indicators

Core indicators recognize school strengths on critical student outcomes.

Measures student growth, proficiency, and graduation rate

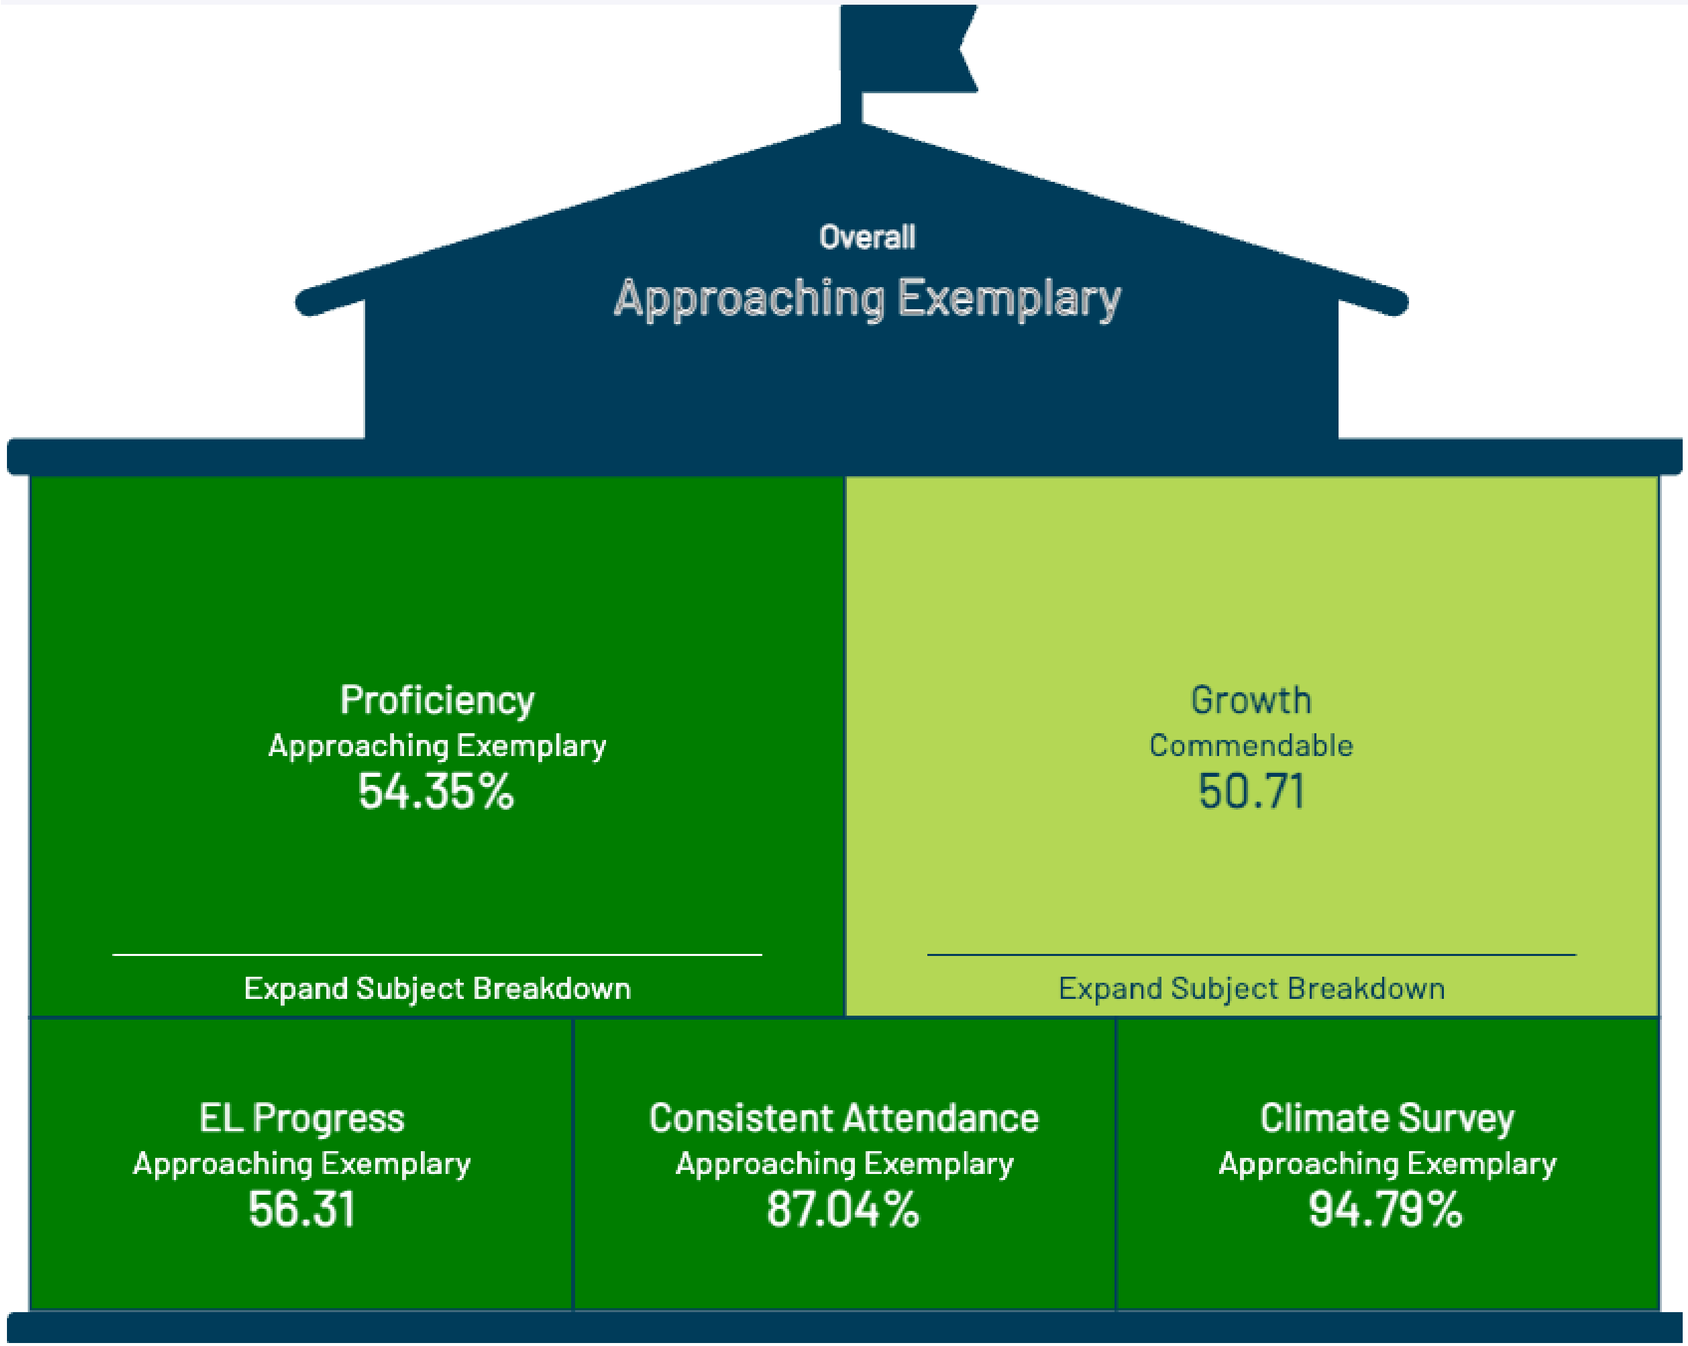

Elevating Indicators*

Strong performance on elevating indicators can raise a school's designation, never lower it.

Metrics that meet Every Student Succeeds Act requirements and support student outcomes

**Graduation rate applies to high schools only.*
